** The Emergency Broadcast Phone System for the Summer Village of Waiparous is a best attempt to notify residents via telephone in the event there has been deemed an emergency affecting the Summer Village as issued by the Director of Disaster Services or Council. Although we have experienced high accuracy in calling to registered phone numbers, we do not guarantee that the system will contact each phone number – this system is a “best attempt” only.*

The personal information being collected is done so under the Freedom of Information and Protection of Privacy Act (FOIP) for the administration of the Emergency Phone Broadcast System. It may also be used only by the Summer Village of Waiparous for the administration of its Emergency Program. Please contact the Summer Village of Waiparous FOIP Coordinator at admin@waiparous.ca or 403-554-5515 should you have any questions
