

SUMMER VILLAGE OF WAIPAROUS

FIRE ADVISORY

Fire Advisory issued for the Summer Village of Waiparous due to increasingly dry conditions.

All fire permits are suspended, and no new fire permits will be issued until further notice.

Safe fires are permitted in fire pits, outdoor portable fire receptacles and outdoor fireplaces that hold a current Certificate of Use.

Residents are reminded to always practice fire safety:

1. Soaking the area adjacent to the fire pit with water is recommended.
2. Closely supervise all outdoor fires. Make sure the fire fully extinguished and out, before leaving.
3. Supervise children around any fire outdoors, including campfires, fire pits, chimneys, and outdoor fireplaces.
4. Before starting a fire pit fire, have a bucket of water, or shovel and dirt or sand nearby to extinguish the fire.
5. To put out a fire pit fire...Soak it, stir it, soak it again.
